

# the lodge bar & dining

We missed you, we really did! But we know one thing for sure... the first pint, the first burger, the jumbo cod & chips are going to taste better than ever before

We are all new to the 2020 way of pub life, keeping our distance and all the other guidelines so we'd be grateful if you could work with us in helping to keep yourself, other customers and our staff as safe as possible whilst still having a great time! We have put a \* next to dishes which are available to takeaway!

We have labeled our dishes= GF- Gluten Free, GFO- Gluten Free Option, V-Vegetarian, VE- Vegan  
If you do have any special dietary requirements, intolerances or allergies please let a member of staff know before you place your order. Our kitchen does handle all allergens and therefore we can't 100% guarantee a dish will be free from it
